Train Station Committee Update
Committee is applying for funds through VHCB Historic Preservation for $75,000. Other grants on the horizon are ACCD Historic Preservation and Freeman Funds through VT Preservation Trust. Train Station 150th Anniversary celebration is scheduled for the afternoon of August 7 (Fair Day). The VOREC grant to support outdoor kiosk & wayfinding is also being discussed.

Zoning Bylaw
Discussed moving subdivision out of permitting process re: develop/draft a separate process for subdivisions and one for permitting.

PC discussed revisiting bylaw language as it pertains to airfields/helipads. Absence of language in the bylaws = these uses are not currently allowed.

Glenn shared a zoning district chart with permitted and conditional uses within each district. The PC will review and update each district.

Other
An EV Fair is being planned on Sept 18th at Marty's near the EV charging stations. Local Motion & Danville's Energy Committee will be participating.

Next meeting scheduled for August 26, 2021 at 7:30pm at the Danville Town Hall.
